

Be sure to follow these instructions carefully to avoid penalty point deductions.

- 1 Use a ballpoint pen. Fill in the **MATCH NUMBER, AREA/DIVISION, DATE, and START TIME** (with BOTH Captain's initials in space provided) **at the top** (write END TIME of your match at the bottom with capt's signatures when finished).
- 2 Fill in the **TEAM NAMES** of both teams on the proper side, HOME on RIGHT and AWAY on LEFT.
- 3 **PRINT** the **FIRST NAME AND LAST NAME** of each player in the spaces provided for each event. **PRINT LEGIBLY AND CHECK SPELLING** so that proper credit can be given.
- 4 Line-ups are to be filled out completely in the blind before the starting time of the first match.
- 5 The Visiting Captain should submit a complete line-up to the Home Captain after the Home Captain has completed the home team's lineup.
- 6 The **MINIMUM NUMBER OF PLAYERS** to complete a match is **THREE**.
- 7 As the match progresses, put a 1 in the space provided next to the winning team for each event and a 0 in the space next to the losing team.
- 8 Subtotal the points for each section in the box provided at the end of each group of events. This should not exceed 3 points for the 501 doubles, 3 points for the cricket doubles and 6 points for the Singles. The total points for each team combined should equal 12. Indicate the total for each team at the bottom of the sheet next to Total Match Points.
- 9 In the Singles section of the Match Report, although each singles is best-of-three, only one point is earned, same for best of three cricket (top division only).
- 10 **ALL STAR POINTS** - For players who throw one of the following turns during the match. In 01 games: 180s (any 01 game), High ON and High OUT (singles only); in any Cricket game: Rounds of Nine (RO9) and Six Bulls (6BC). Write the FULL PLAYER NAME UNDERNEATH THAT PLAYER'S TEAM and indicate what was thrown (180/RO9/6BC) in the small blocks next to their name. **ALL STAR POINTS DO NOT COUNT IF:** 1) the player busts their score during that turn; 2) not all marks of an RO9 or 6BC count in the score; 3) High On or Out is not from singles; or 4) it is the third game of a best of three.
- 11 For **HIGH ONs** and **HIGH OUTs** thrown during singles games, write the name of the player(s) who scored the highest on and out **AND** the score of the turn, regardless of which team, in the space at the bottom.
- 12 After the completion of the full match, **BOTH CAPTAINS** must verify the correctness of the report and the accuracy of the match **END TIME** and sign in the space provided at the bottom. **This signature indicates the Captain's approval of all information to be submitted.**
- 13 All Match Reports are to be filled out in duplicate. **SCAN OR PHOTOGRAPH** the **TOP COPY** (white) and email to your area's statistician. Emailed reports must be received by **FRIDAY 12PM** for inclusion in the weekly standings. **LATE** reports may be subject to point deductions. **Each captain should keep their carbon copy of the completed match report for their records and to reference in case of disputes or errors. SEE PROVIDED GUIDELINES FOR MORE INFO ON EMAILING MATCH REPORTS.**
- 14 **PENALTY POINT DEDUCTIONS** may be incurred for (but not limited to) the following: 1) missing or incorrect Week/Match #, Area/Div, Date, or Team Names; 2) player names incomplete or missing and/or use of players not on official roster; 3) number of points per leg of match & total points for each team are missing or incorrect; 4) missing one or both Capt signatures; 5) report received late.
- 15 **If you are Shorthanded or Missing Players:** In instances where you are short handed, do not leave player names blank, instead write "NP" or "No Player". If a players name is filled in but the player did not actually play in that game, strike a line through that player's name.
