All playoff rounds -- the team that reaches 13 points first in a 2 night match play advances to the next round The team with the highest season point total has choice of home or away for the first night of match play. Players must have identification on them. You may be required to prove who you are. If you can't produce an I.D. you may not be able to play.

With Pub/Clubs having multiple teams making the playoffs - it would be much appreciated if you keep this in mind when you have the choice of home / away and be as acoomodating as possible
